WELCOME MESSAGE FROM DIRECTOR OF BANDS MR. COLLINS

Dear Band Members and Parents,

Welcome to the Central Baldwin Middle School Band program! We are very proud of our band program here at the middle school and are glad that you have chosen to be a part of our tradition of excellence. Our program consists of over 240 students. Our ensembles include 7th grade concert band, 8th grade concert band, Jazz Band and Pep Band. The CBMS band program has a rich history of outstanding achievement. The band program has earned superior ratings at the yearly Alabama Bandmasters Music Performance Assessment (state assessment) and many of our students have been selected for County, District, and Alabama All-State Honor Bands.

Students in all band classes have opportunities to take private lessons, perform at State Assessments, Honor Bands, Solo Festivals, and much more. Many students in the band program are also active in other activities, such as Athletics, Peer Helpers, STEM, etc. It is the goal of the band program to foster a lifelong love of music and to help students realize their potential in band as well as in life.

Our CBMS Band motto is to teach students leadership, pride, and commitment through music and to provide a learning environment in which ALL students have the ability to learn not only music, but skills that will benefit them later in life.

We are pleased to welcome you to the Central Baldwin Middle School Band program! Go Bears!

Sincerely,
Mr. Collins

ENSEMBLES

7TH GRADE BAND

This performance-based class is composed of 7th graders or students just beginning band that did not participate in 6th grade. Performances include district/state assessments and winter/spring concerts. These students continue to work on understanding of basic music literacy, instrument maintenance, proper posture and playing position, and development of characteristic tone quality through exposure to daily exercises and musical literature.

8TH GRADE BAND

This performance-based class is the middle school's most advanced performing ensemble for wind and percussion instrumentalists. This class is composed of 8th graders that are introduced to comprehensive musicianship through performance of challenging and varied literature. Skills and concepts from the previous year are developed and expanded upon. Students will continue to refine their musical skills and knowledge of musical literacy. Performances include district/state assessments and winter/spring concerts.
